

86TH CONGRESS  
1ST SESSION

# H. R. 1119

---

IN THE HOUSE OF REPRESENTATIVES

JANUARY 7, 1959

Mr. FOGARTY introduced the following bill; which was referred to the Committee on Education and Labor

---

## A BILL

To provide evaluation of rehabilitation potentials and rehabilitation services to handicapped individuals who as a result thereof can achieve such ability of independent living as to dispense with the need for expensive institutional care or who can dispense with or largely dispense with the need of an attendant at home; to assist in the establishment of public and private nonprofit workshops and rehabilitation facilities; and for other purposes.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*  
3       That this Act may be cited as the "Rehabilitation Act of  
4       1959".

## 1 FINDING OF FACT AND DECLARATION

2 The Congress hereby finds and declares—

3 (1) that many severely handicapped persons, in-  
4 cluding the mentally ill or retarded, and older persons,  
5 ineligible for vocational rehabilitation, as a result of in-  
6 dependent living rehabilitation services can achieve such  
7 a degree of independence that—

8 (a) their institutional care can be terminated,

9 or

10 (b) their need for an attendant's care at home  
11 will be ended or substantially reduced, and

12 (c) in many instances these individuals will be  
13 found to be capable of vocational rehabilitation and  
14 will become gainfully employed taxpayers;

15 (2) that the provision of independent living re-  
16 habilitation services to such severely handicapped per-  
17 sons ends or minimizes the public and family burden of  
18 providing them with attendant's care, contributes greatly  
19 to their dignity and self-respect, and is in the public  
20 interest;

21 (3) that there is a grave shortage of rehabilitation  
22 facilities where independent living and vocational reha-  
23 bilitation services are provided the severely handicapped,  
24 including hearing and speech correction, fitting and use  
25 of prosthetic devices, adjustment, prevocational and vo-

1 vocational training, and particularly of centers providing a  
2 variety of such services;

3 (4) that there is a grave shortage of sheltered work-  
4 shop facilities wherein work capacities of severely handi-  
5 capped can be evaluated and developed, and can also be  
6 utilized in productive work in cases where the handi-  
7 capped individual is not absorbable in the competitive  
8 labor market; and

9 (5) that Federal grants assisting in the provision of  
10 the foregoing rehabilitation facilities and services are  
11 required in the public interest as a necessary expansion of  
12 present grants under the Vocational Rehabilitation Act.

13 SEC. 2. (a) The Vocational Rehabilitation Act, as  
14 amended by the Vocational Rehabilitation Amendments of  
15 1954 (29 U.S.C., ch. 4), is amended (a) by inserting at  
16 the beginning thereof the heading "TITLE I", (b) by strik-  
17 ing out the phrase "this Act" wherever it appears, and in-  
18 serting in lieu thereof "this title", by inserting before the  
19 period at the end of section 11 (a) the following: "*Pro-*  
20 *vided*, That vocational rehabilitation services shall not include  
21 any evaluation services with respect to which grants have  
22 been qualified for by the State and have been, or will be  
23 paid, under title IV of this Act" and (c) by adding the  
24 following after section 3 (c) :

25 "(d) In the event of failure of any State or States to

1 qualify in a fiscal year for any payment under this sec-  
2 tion or to qualify for a payment in an amount less than  
3 the amount of the State's allotment, the amount equal to  
4 the total of each such State's allotment, or the difference  
5 between its allotment and its payment, as the case may be,  
6 shall be reallocated among the remaining States on the basis  
7 of their respective population."

8 SEC. 3. The Vocational Rehabilitation Act, as amended  
9 by the Vocational Rehabilitation Amendments of 1954, is  
10 further amended by adding at the end thereof three new  
11 titles as follows:

12 "TITLE II—INDEPENDENT LIVING REHABILITA-  
13 TION SERVICES

14 "AUTHORIZATION OF APPROPRIATIONS FOR GRANTS, PUR-  
15 POSE FOR WHICH AVAILABLE

16 "SEC. 201. For the purpose of assisting the States in  
17 rehabilitating handicapped individuals who, as a result of  
18 such rehabilitation, may be expected to achieve such ability  
19 of independent living as to dispense with, or largely dispense  
20 with, the need for institutional care or, if not institutionalized,  
21 to dispense with, or largely dispense with, the need for an  
22 attendant, thereby reducing their burden upon others and  
23 contributing to their dignity and self-respect, there is hereby  
24 authorized for the fiscal year ending June 30, 1958, \$10,-  
25 000,000; for the fiscal year ending June 30, 1959, \$20,-

1 000,000; and for each fiscal year thereafter such sums as  
2 Congress may determine necessary to carry out the purposes  
3 of this title.

4 "GRANTS FOR INDEPENDENT LIVING REHABILITATION  
5 SERVICES

6 "SEC. 202. (a) From the sums made available under  
7 section 201 to assist States in meeting the costs of inde-  
8 pendent living rehabilitation services, each State shall be  
9 entitled to an allotment of an amount which bears the same  
10 ratio to such sums as the product of the population of the  
11 State and the square of its allotment percentage (as de-  
12 fined in section 11 (h) of title I) bears to the sum of the  
13 corresponding products for all the States. The allotment to  
14 any State under an allotment for any year which is less than  
15 \$25,000, or in the case of the Virgin Islands is less than  
16 \$10,000 (or such other amount as may be specified in a  
17 minimum allotment in the Act appropriating such sums for  
18 such year), shall be increased to that amount, the total of  
19 the increases thereby required being derived by proportion-  
20 ately reducing the allotments to each of the remaining States,  
21 but with such adjustments as may be necessary to prevent  
22 the allotments of any such remaining States from being there-  
23 by reduced below that amount. In the event of failure of  
24 any State or States to qualify in a fiscal year for any pay-  
25 ment under this section or to qualify for a payment in an

1 amount less than the amount of the State's allotment, the  
2 amount equal to the total of each such State's allotment, or  
3 the difference between its allotment and its payment, as the  
4 case may be, shall be reallocated among the remaining States.

5       “(b) From each State's allotment under this section,  
6 as determined by the Secretary of Health, Education, and  
7 Welfare (hereinafter called the Secretary), the Secretary  
8 shall pay to such State an amount equal to the Federal share  
9 (determined as provided in section 11 (1) of title I of this  
10 Act) of the cost, including cost of administration, of inde-  
11 pendent living rehabilitation services provided under the  
12 independent living rehabilitation plan approved under sec-  
13 tion 203 of this title, which such plan is incorporated in the  
14 State plan approved under section 5 of title I of this Act.

15       “STATE INDEPENDENT LIVING REHABILITATION PLANS

16       “SEC. 203. (a) To be approved under this title, a State  
17 plan for independent living rehabilitation services shall—

18       “(1) designate the State agency administering or  
19 supervising the administration of vocational education in  
20 the State, or a State rehabilitation agency (primarily  
21 concerned with vocational rehabilitation), as the sole  
22 State agency to administer the plan, or to supervise its  
23 administration to the extent that any part thereof is  
24 administered in local areas by any public agency pur-  
25 suant to contract, except that where under the State's

1 law the State blind commission, or other agency which  
2 provides assistance or services to the adult blind, is au-  
3 thorized to provide them vocational rehabilitation  
4 services, such State blind commission or other State  
5 agency may be designated as the sole State agency to  
6 administer the part of the plan under which vocational  
7 rehabilitation services are provided for the blind (or to  
8 supervise the administration of such part in a political  
9 subdivision of the State by a sole local agency of such  
10 political subdivision) and the State vocational education  
11 agency or the State rehabilitation agency shall be desig-  
12 nated as the sole State agency with respect to the rest  
13 of the State plan;

14 “(2) provide for financial participation of the State,  
15 which may include non-State funds which the State plan  
16 specifies may be accepted by the State agency;

17 “(3) provide such methods of administration, other  
18 than methods relating to the establishment and main-  
19 tenance of personnel standards, as are found by the Sec-  
20 retary to be necessary for the proper and efficient ad-  
21 ministration of the plan;

22 “(4) contain (A) provisions relating to the estab-  
23 lishment and maintenance of personnel standards, in-  
24 cluding provisions relating to the tenure, selection, ap-  
25 pointment, and qualification of personnel, and (B)

1 provisions relating to the establishment and maintenance  
2 of minimum standards governing the facilities and per-  
3 sonnel utilized in the provision of independent living  
4 rehabilitation services, but the Secretary shall exercise no  
5 authority with respect to the selection, method of selec-  
6 tion, tenure of office, or compensation of any individual  
7 employed in accordance with such provisions;

8 “(5) show the plan, policies, and methods to be  
9 followed in carrying out the work under the State plan  
10 and in its administration and supervision and, in case  
11 independent living rehabilitation services cannot be pro-  
12 vided all eligible physically handicapped individuals who  
13 apply for such services, show the order to be followed  
14 in selecting those to whom independent living rehabili-  
15 tation services will be provided;

16 “(6) provide that the State agency will make such  
17 reports, in such form and containing such information, as  
18 the Secretary may from time to time reasonably require  
19 to carry out his functions under this Act, and comply  
20 with such provisions as he may from time to time find  
21 necessary to assure the correctness and verification of  
22 such reports;

23 “(7) provide for cooperation by the State agency  
24 with, and the utilization of the services of, the State  
25 agencies administering the State’s public assistance and

1 public health programs, and the Bureau of Old-Age and  
2 Survivors Insurance (Department of Health, Education,  
3 and Welfare) and of other Federal, State, and local  
4 public agencies providing services relating to independent living rehabilitation services.

5  
6 “(b) The Secretary shall approve any plan which he  
7 finds fulfills the conditions specified in subsection (a) of  
8 this section which is submitted as an addition to a State  
9 plan for vocational rehabilitation approved by the Secretary  
10 under title I of this Act.

11 “(c) Whenever the Secretary, after reasonable notice  
12 and opportunity for hearing to the State agency administering or supervising the administration of the State plan approved under this section, finds that—

15 “(1) the plan has been so changed that it no longer  
16 complies with the requirements of subsection (a) of  
17 this section; or

18 “(2) in the administration of the plan there is a  
19 failure to comply substantially with any such provision;  
20 the Secretary shall notify such State agency that no further  
21 payments will be made to the State under this title until  
22 he is satisfied that there is no longer any such failure. Until  
23 he is so satisfied, the Secretary shall make no further  
24 payment to such State under this title.

1       “(d) If any State is dissatisfied with the Secretary’s  
2   action under subsection (c) of this section, such State may  
3   appeal to the United States district court for the district  
4   where the capital of such State is located, and judicial review  
5   of such action shall be had on the record in accordance with  
6   the provisions of the Administrative Procedure Act.

7       “METHOD OF COMPUTING AND MAKING PAYMENTS

8       “SEC. 204. The method of computing and paying  
9   amounts pursuant to this title shall be as follows:

10       “(a) The Secretary shall, prior to the beginning of each  
11   calendar quarter or other period prescribed by him, esti-  
12   mate the amount to be paid to each State under the provi-  
13   sions of this title for such period, such estimate to be based  
14   on such records of the State and information furnished by it,  
15   and such other investigation as the Secretary may find  
16   necessary.

17       “(b) The Secretary shall pay, from the allotment avail-  
18   able therefor, the amount so estimated by him for such  
19   period, reduced or increased, as the case may be, by any  
20   sum (not previously adjusted under this paragraph) by  
21   which he finds that his estimate of the amount to be paid the  
22   State for any prior period under this title was greater or less  
23   than the amount which should have been paid to the State  
24   for such prior period under this title. Such payments shall  
25   be made prior to audit or settlement by the General Account-

1 ing Office, shall be made through the disbursing facilities of  
2 the Treasury Department, and shall be made in such install-

21 investigations, demonstrations, and reports referred to in  
22 paragraph (1) and other matters relating to independ-  
23 ent living rehabilitation services.

24 "(b) The Secretary is authorized to make rules and reg-  
25 ulations governing the administration of this Act, and to

1 delegate to any officer or employee of the United States  
2 such of his powers and duties, except the making of rules  
3 and regulations, as he finds necessary in carrying out the  
4 purposes of this Act.

5 "DEFINITIONS

6 "SEC. 206. For the purpose of this title—

7 "(a) The term 'independent living rehabilitation serv-  
8 ices' means counseling, psychological and related services  
9 (including transportation) rendered seriously handicapped  
10 individuals and in the case of any such individual found to  
11 require financial assistance with respect thereto, after full  
12 consideration of his eligibility for any similar benefits by  
13 way of pension, compensation, and insurance, such term  
14 shall include physical restoration and related services, in-  
15 cluding corrective surgery, therapeutic treatment, and hos-  
16 pitalization, needed prosthetic appliances and other devices  
17 which will contribute to independent living and training in  
18 the use thereof, and maintenance needed to assure the avail-  
19 ability of such services.

20 "(b) The term 'handicapped individual' means an indi-  
21 vidual of employable age, as defined by regulations of the  
22 Secretary, who is under such physical or mental disability  
23 as to require institutional care or attendance in his house-  
24 hold continuously or for a substantial portion of the time,  
25 but who can be reasonably expected, as a result of rehabili-

1 tation services to achieve such ability of independent living  
 2 that he will no longer require such institutional care or such  
 3 attendance in his household.

4 “(c) The term ‘State’ includes the District of Co-  
 5 lumbia, Hawaii, Virgin Islands, Puerto Rico, and Guam.

6 “TITLE III—WORKSHOPS AND REHABILITATION  
 7 FACILITIES

8 “AUTHORIZATION OF APPROPRIATIONS FOR GRANTS; PUR-  
 9 POSES FOR WHICH AVAILABLE

10 “SEC. 301. (a) For the purpose of encouraging and as-  
 11 sisting in the establishment of public and other nonprofit  
 12 workshops and rehabilitation facilities needed in rehabili-  
 13 tating physically and mentally handicapped individuals, there  
 14 is hereby authorized to be appropriated for the fiscal year  
 15 ending June 30, 1959, the sum of \$10,000,000; for the  
 16 fiscal year ending June 30, 1960, \$12,500,000; for the fiscal  
 17 year ending June 30, 1961, \$15,000,000 and for each  
 18 fiscal year thereafter such sums as Congress may determine,  
 19 for grants to carry out the purpose of this title, including  
 20 any amounts which may be specifically appropriated for area  
 21 facilities.

22 “(b) In making grants hereunder, except from funds  
 23 specifically appropriated for and limited to area facilities,  
 24 the Secretary of Health, Education, and Welfare, herein-  
 25 after called the Secretary, shall, insofar as practical and

1 consistent with the purposes of this Act, distribute grants for  
2 projects in the several States in aggregate amounts propor-  
3 tionate to their respective populations, and in no event shall  
4 grants hereunder to a State exceed by more than 50 per  
5 centum the aggregate amount it would receive on such popu-  
6 lation basis or \$10,000, whichever is greater: *Provided,*  
7 That in any case where the Secretary of Health, Education,  
8 and Welfare finds that any State or States has no project,  
9 or insufficient projects, to utilize fully the amount it would  
10 utilize in a fiscal year, he may, after January 1 of such year  
11 redistribute the funds which would otherwise have been paid  
12 such State to other States for suitable projects and such dis-  
13 tribution need not be proportionate to State populations.

14 “(c) As used in this section ‘area facilities’ means fa-  
15 cilities intended to serve areas which include all or parts  
16 of two or more States.

17 “GRANTS FOR ESTABLISHMENT OF WORKSHOPS AND

18 REHABILITATION FACILITIES

6 section (a) hereof, shall include but not be limited to—

9 the primary purpose of providing one or more of the  
10 following:

12 handicapped individuals as an interim step in the  
13 rehabilitation process for those who cannot readily  
14 be absorbed in the competitive labor market, or  
15 during such time as employment opportunities for  
16 them in the competitive labor market do not exist;

16           fessional supervision: *Provided*, That the major por-  
17           tion of such evaluation and services is furnished  
18           within the facility and that all medical and related  
19           health services are prescribed by, or are under the  
20           formal supervision of, persons licensed to practice  
21           medicine or surgery in the State.

22           “(b) Grants shall be made with respect to construction  
23           or alteration of buildings and procurement or installation of  
24           initial equipment necessary to establish or increase their

1 effectiveness as workshops or rehabilitation facilities, and  
2 staffing for a period not to exceed two years. Grants shall  
3 be subject to such limitations and conditions as the Secretary  
4 of Health, Education, and Welfare shall prescribe to assure  
5 minimum standards for facilities and personnel under this  
6 Act, including a system of priorities for the approval of  
7 projects.

8 “(c) The Federal share of cost of the workshop or  
9 rehabilitation facility established under this title shall not  
10 exceed two dollars for each one dollar which is otherwise  
11 obtained and used toward defraying such cost.

12 “(d) No grant shall be made under this title with  
13 respect to any workshop or rehabilitation facility unless—

14 “(1) application therefor in such form and con-  
15 taining such data and assurances as are required by the  
16 Secretary has been transmitted through and approved  
17 as feasible and necessary for vocational rehabilitation

19 5 (a) (1) of title I of the State where such workshop or  
20 other rehabilitation facility is located or to be located;

21 “(2) the Secretary finds that the facility with

23 is needed, and that Federal grants for its establishment  
24 are not available under any other Federal law;

12       “(3) the Secretary finds that wages paid handi-  
13       capped workers meet wage and hour standards admin-  
14       istered by the United States Department of Labor;

15       “(4) the Secretary requires, and the applicant  
16       provides, such assurances, in such form and with such

19       conditions and limitations of such grant will be complied  
20       with.

#### 21       “TITLE IV—REHABILITATION EVALUATION

#### 22                       SERVICES

#### 23       “AUTHORIZATION FOR APPROPRIATIONS

24       “SEC. 401. For the purpose of assisting the States in  
25       evaluating the nature and extent of the disabilities and the  
26       rehabilitation potentials of individuals of employable age, as  
27       defined in regulations of the Secretary of Health, Education,  
28       and Welfare, whose application therefor shows that they are  
29       under a substantial physical or mental handicap which may  
30       be overcome or substantially reduced by vocational rehabilita-  
31       tion services available under title I of this Act or otherwise  
32       available, or whose dependency may be overcome or sub-  
33       stantially reduced by independent living rehabilitation serv-  
34       ices available under title II hereof, or otherwise available,  
35       there is hereby authorized to be appropriated for the fiscal  
36       year ending June 30, 1959, and for each fiscal year there-

1 after, such sums as are necessary for grants to States to carry  
2 out the purpose of this title.

3 "PAYMENTS TO STATES

4 "SEC. 402. (a) From the sums appropriated therefor,  
5 the Secretary of the Treasury shall pay to each State which  
6 has an approved plan for vocational rehabilitation (under  
7 title I of this Act) and for independent living rehabilitation  
8 services (under title II of this Act), for each fiscal year an  
9 amount equal to two-thirds of the total of the sums expended  
10 by the State agency or agencies administering such plans  
11 during such year, including administrative costs thereof, as  
12 found necessary by the Secretary of Health, Education, and  
13 Welfare, for the proper and efficient evaluation of disabilities  
14 and rehabilitation potentials referred to in section 401.

15 "(b) The Secretary of Health, Education, and Welfare  
16 shall, prior to the beginning of each quarter, or such other  
17 period as he shall prescribe as appropriate, estimate the  
18 amount to be paid with respect to expenditures for such eval-  
19 uations in such period, such estimate to be based on (1) a  
20 report filed by such State agency or agencies containing the  
21 estimates of such expenditures, and stating the amount appro-  
22 priated or made available by the State and its political sub-  
23 divisions for such expenditures in such period, and if such  
24 amount is less than the State's proportionate sum of such esti-  
25 mated expenditures, the sources from which the difference is

1 expected to be derived, (2) records of the number of appli-  
2 cants for rehabilitation evaluation, and (3) such other rec-  
3 ords and reports as the Secretary may find necessary.

4       “(c) The Secretary of Health, Education, and Welfare  
5 shall then certify to the Secretary of the Treasury the amount  
6 so estimated by the Secretary of Health, Education, and Wel-  
7 fare, (A) reduced or increased, as the case may be, by any  
8 sum by which the Secretary of Health, Education, and Wel-  
9 fare finds that his estimate for any prior period was greater  
10 or less than the amount which should have been paid to the  
11 State under subsection (a) for such period; except that such  
12 increases or reductions shall not be made to the extent that  
13 such sums have been applied to make the amount certified  
14 for any prior period greater or less than the amount estimated  
15 by the Secretary of Health, Education, and Welfare for such  
16 prior period.

17       “The Secretary of the Treasury shall thereupon, through
